Items acknowledged for shipment within forty-five (45) days are not cancelable.

Items acknowledged for shipment beyond forty-five (45) days may be cancelled by the purchaser at no charge within ten (10) calendar days of the date of the acknowledgement.

After ten (10) days, if cancellation is authorized by Elliott Industries, Inc., the following percent of the selling price will be charged.

- 1. Order entered into the production schedule but no material ordered and no drafting or engineering done 10%
- 2. Engineering and drafting work done but order not released for production 25%
- 3. Order released for production and scheduled for shipment within forty-five (45) days but no production has begun 30%
- 4. If special materials have been ordered and costs are incurred in cancellation or return, an additional charge will be added to the 20% charge to cover the "costs incurred".
- 5. Order released for production and scheduled for shipment within forty-five (45) days and production has begun 100%
